16. Privacy Statement

Please read this privacy statement carefully to understand our use of your Personal Data.

Your right to object – Please note that you have a right to object to the processing of your Personal Data where that processing is carried out for our legitimate interests.

In this section the following terms have the following meaning:

Data Protection Legislation means the EU Data Protection Directive 95/46/EC and the EU Privacy & Electronic Communications Directive 2002/58/EC, any amendments and replacement legislation including the EU General Data Protection Regulation (EU) 2016/679, European Commission decisions, binding EU and national guidance and all national implementing legislation.

GDPR means Regulation (EU) 2016/679 known as the General Data Protection Regulation, which came into force on 25 May 2018.

Personal Data means any data relating to a living individual who can be identified directly from that data or indirectly in conjunction with other information.

In the course of business, the ICAV will collect, record, store, adapt, transfer and otherwise process information by which prospective investors may be directly or indirectly identified. The ICAV is a data controller within the meaning of Data Protection Legislation and undertakes to hold any personal data provided by investors in accordance with Data Protection Legislation.

The ICAV and/or any of its delegates or service providers may process prospective investor's personal data for any one or more of the following purposes and legal bases:

- (i) to operate the Funds, including managing and administering a Shareholder's investment in the relevant Fund on an on-going basis which enables the ICAV to satisfy its contractual duties and obligations to the Shareholder);
- (ii) to comply with any applicable legal, tax or regulatory obligations on the ICAV or its service providers, for example, under ICAV Act and anti-money laundering and counter-terrorism legislation;
- (iii) for any other legitimate business interests' of the ICAV or a third party to whom personal data is disclosed, where such interests are not overridden by the interests of the investor, including for statistical analysis and market research purposes; or
- (iv) for any other specific purposes where investors have given their specific consent and where processing of personal data is based on consent, the investors will have the right to withdraw it at any time.

The ICAV and/or any of its delegates or service providers may disclose or transfer personal data, whether in Ireland or elsewhere (including entities situated in countries outside of the EEA), to other delegates, duly appointed agents and service providers of the ICAV (and any of their respective related, associated or affiliated companies or sub-delegates) and to third parties including advisers, regulatory bodies, taxation authorities, auditors, technology providers for the purposes specified above.

The ICAV will not keep personal data for longer than is necessary for the purpose(s) for which it was collected. In determining appropriate retention periods, the ICAV shall have regard to the Statute of Limitations Act 1957, as amended, and any statutory obligations to retain information, including anti-money laundering, counter-terrorism, tax legislation.

Where specific processing is based on an investor's consent, that investor has the right to withdraw it at any time. Investors have the right to request access to their personal data kept by the ICAV; and the right to rectification or erasure of their data; to restrict or object to processing of their data, and to data portability, subject to any restrictions imposed by Data Protection Legislation.

The ICAV and/or any of its delegates and service providers will not transfer personal data to a country outside of the EEA unless that country ensures an adequate level of data protection or appropriate safeguards are in place. The European Commission has prepared a list of countries that are deemed to provide an adequate level of data protection. Further countries may be added to this list by the European Commission at any time. The US is also deemed to provide an adequate level of protection where the US recipient of the data is privacy shield-certified. If a third country does not provide an adequate level of data protection, then the ICAV and/or any of its delegates and service providers will ensure it puts in place appropriate safeguards such as the model clauses (which are standardised contractual clauses, approved by the European Commission) or binding corporate rules, or relies on one of the derogations provided for in Data Protection Legislation.

Where processing is carried out on behalf of the ICAV, the ICAV shall engage a data processor, within the meaning of Data Protection Legislation, which provides sufficient guarantees to implement appropriate technical and organisational security measures in a manner that such processing meets the requirements of Data Protection Legislation, and ensures the protection of the rights of investors. The ICAV will enter into a written contract with the data processor which will set out the data processor's specific mandatory obligations laid down in Data Protection Legislation, including to process personal data only in accordance with the documented instructions from the ICAV.

The Administrator may process personal data relating to the Applicant for the purposes of providing services to the ICAV, performing its legal and regulatory obligations and conducting financial crime risk management and other activities, including disclosing those data to the ICAV and to third parties and transferring them internationally.

Prior to the transfer of any personal data relating to the Applicant to the Administrator, the ICAV shall first ensure that: the Applicant is informed of the ICAV's processing of their personal data as set out in the preceding paragraph; and the Administrator is entitled to process such personal data, as a processor or controller, as set out herein.

As part of the ICAV's business and ongoing monitoring, the ICAV may from time to time carry out automated decision-making in relation to investors, including, for example, profiling of investors in the context of anti-money laundering reviews, and this may result in an investor being identified to the Irish Revenue Commissioners and law enforcement authorities, and the ICAV terminating its relationship with the investor.

Investors are required to provide their personal data for statutory and contractual purposes. Failure to provide the required personal data will result in the ICAV being unable to permit, process, or release the investor's investment in the Fund(s) and this may result in the ICAV terminating its relationship with the investor. Investors have a right to lodge a complaint with the data protection authority if they are unhappy with how the ICAV is handling their data.

Any questions about the operation of the ICAV's data protection policy should be referred in the first instance to www.marlboroughgroup.com.

The Applicant consents to the ICAV, the Manager and/or Administrator transferring all or any of their benefits and obligations under these terms. The ICAV, the Manager and/or Administrator may appoint any person to advise on or perform any of their functions or responsibilities under these terms and may provide information about the Applicant and its Shares to any such person. The ICAV, the Manager and/or Administrator, where applicable, will satisfy itself that any person to whom it delegates any of its functions or responsibilities under these terms is competent to carry out those functions or responsibilities.

If any provision of this AF is invalid or unenforceable under any applicable law, then such provision shall be deemed inoperative to the extent that it may conflict therewith. Any provision hereof which may be held invalid or unenforceable under any applicable law shall not affect the validity or enforceability of any other provisions hereof, and to this extent the provisions hereof shall be severable.

This AF shall be governed by the laws of Ireland and the Irish courts shall have exclusive jurisdiction to settle any such disputes which may arise out of or in connection with this AF or its performance and accordingly that any suit, action or proceedings so arising may be brought in such courts.
